

49th International Volleyball Open–Air Tournament in Moemlingen

June 24th and 25th 2023

Hello to all volleyball teams

We are happy and really want to invite you for our 49th International Volleyball Open Air Tournament. Every team can participate. It doesn't matter if you play professional, intermediate or hobby level. We offer you to participate in different classes for male, female and mixed teams. Each class splits up into 4 groups with 4 teams each. You need at least 6 players for one team. If you want to play mixed at least 3 female players are required.

Because we have a limit of 128 teams altogether, it would be the best to contact us as soon as possible. In our stadium we have 32 well prepared lawn courts to play. It is possible to arrive on Friday. A lot of teams do so. The tournament will start on Saturday at 10 a.m. with registering of all teams and 10:30 with the matches. Finish will be Sunday around 16:00 p.m.

Where is the small town of MOEMLINGEN?

It is situated in northern Bavaria about 50km south east of Frankfurt. Exit on highway A3 is Stockstadt/Miltenberg. For your GPS the venue is here : Sudetenstrasse 35, Moemlingen

Where can you stay over night and have a shower?

You can pitch a tent in the stadium or a close meadow or you can sleep in our gym hall. You will need a sleeping bag! There are showers also in the stadium or in the gym hall.

What about catering?

WE're offering breakfast on Saturday and Sunday in the stadium. During the tournament we'll offer you all kinds of food and beverages.

Entertainment

Friday evening: DJ function in our huge party tent. **Free access for all tournament participants.**
Saturday evening: Live Rock Band in our party tent with our famous Volley-Bar. **Free access for all tournament participants.**

In recent years we see a trend that our guests take advantage of our free amenities but bring their own food and drinks and sit in front of their tent or leave our playground in the evenings. We would like to motivate our guests to participate more in the common tournament experience like in the „old times“. For this reason we did a change in our participation fee.

Participation fee per team is 75€ plus a 75€ consumption voucher = 150€ in total.

During registration of the teams on Friday evening or Saturday morning every team will get like in previous years wristlets for free access everywhere plus a 75€ voucher for food and drinks.

As always there is no surety to pay. If you cancel your registration before 1.6.2023 you get 100% and before 15.6.2023 50% back payment. The consumption voucher will be paid back fully in case you cancel your registration.
